## **No Travel Advisory lifted statewide, Travel Alert remains**

The North Dakota Department of Transportation (NDDOT) has lifted the **No Travel Advisory** statewide. A **Travel Alert** remains in effect for all regions of North Dakota due to long stretches of compacted snow and scattered ice on the roadway. Motorists are cautioned to be alert to changing conditions.

- **N.D. Highway 1806** is blocked from the junction of N.D. Highway 8 near twin Buttes to U.S. Highway 200 north of Hazen due to snow drifts.
- **N.D. Highway 22** is open from New England to Dickinson.

Travelers are encouraged to monitor road conditions, reduce traffic speeds as weather conditions occur and use caution while traveling. For road information, call 511 from any type of phone or go to the website: [www.511.nd.gov](http://www.511.nd.gov) for road and weather conditions.

Please be advised that information on 511 is updated daily from 5 a.m. until 9 p.m. CST. The 511 road report is based upon the information available to the NDDOT at the time of preparation and is provided solely as a public service. Conditions may vary from those reported.

If motorists become stranded they should stay with their vehicle and call 911 for emergency assistance.
